

# LEGISLATIVE MEETING & HILL VISIT

## PURPOSE

### BE IN THE ROOM WHERE IT HAPPENS!

Join VMA and our Lobbyist P. Dale Barrett, to help us share your story, your priorities and your voice to the Virginia motorcoach industry. Dale holds long term connections on The Hill and has served with the Virginia Trucking Association for years.

Not sure what to say once you've got their attention? Monday will include a "primer" to help you with your message. We want you to tell your story, but we will give you state talking points.

Come for education, networking and most importantly, help us build VMA's connections with those who represent us in Virginia.
